

# Index to Volume XVIII

November 1937 to October, 1938

## ARTICLES

### A

- Aberdeen Harbour South Breakwater, 288  
Administration of Ports, 350  
American Association of Port Authorities, 342, 368  
American Port Authorities' Convention, 34  
Anomalies of Port Practice, 219  
Another Thames Tunnel, 34  
Arzew, Algeria, new quay, 89  
Australian Harbour Authorities' Eighth Inter-state Conference, 50  
Australian Harbour Conference, 33  
A.R.P. Plans for Docks, 188

### B

- Baltic Conference, 249  
Belfast Airport, 155  
Belfast Harbour Airport, 182  
Belfast Harbour Commissioners, 239  
Bhavnagar, India's Newest Port, 216  
Bluff Harbour Board, 331  
Bombay Port Police, 56  
Bombay Port Trust, 76  
Breaking of Waves against Vertical Sea Walls, 195  
British Association and Port Affairs, 344  
British Canal Prospects, 207  
Butte Docks, Cardiff, 251

### C

- Canadian Harbours and Waterways, 13  
Canadian National Harbour Board, 45  
Canadian Ports and Waterways, 183  
Canal Locks and other Lifting Devices in Inland Navigations, 271, 302  
Capetown and the Oil Trade, 282  
Capetown Harbour Entrance, 344  
Cardiff Docks, 249  
Cargo Handling Equipment of Ports, 198  
Chamber of Shipping Report, 344  
Coastal Shipping and the Smaller Ports, 63  
Congress of French Seaport Interests, 60  
Contrasts of Modern Shipping, 30

### D

- Damage by Marine Organisms, 352  
Defence of Transport against Air Attack, 306  
Department of Scientific and Industrial Research, 279  
Deterioration of Shanghai Harbour, 294  
Developments at the Port of Goole, 289  
Dock and Harbour Authorities' Association, 132  
Dockside Amenities, 187  
Dredger "Karimata," 353  
Dredging Operations in Great Britain and the Netherlands, 185  
Driving of Reinforced Concrete Piles, 250  
Dunkirk Harbour Extension Works, 208, 224

### E

- Echo Sounding in Harbour Hydrography, 296  
Economic Future of Canals, 107, 128, 161  
Empire Exhibition, Glasgow, 131, 211, 281  
Enterprising Danish Port, 221  
Estuarial Obstructions, 156  
Estuary Channels and Embankments, 83, 202, 234, 263  
Estuary of the River Mersey, 240  
European Commission of the Danube, 326  
Experimental Investigation of the effect of Bridge-Piers, etc., 17

### F

- Fishery Harbours and the Fishing Industry, 2  
Fishery Industry Concentration, 123  
Food (Defence Plans) Report, 220  
Foreign Trade Zone, 184  
Foreign Trade Zone Developments at United States Ports, 104  
Foreign Trade Zones in the U.S.A., 247  
Freemantle Harbour Trust, 181  
French Port Traffic during 1937, 194  
Future of Canals, 93

### G

- German Inland Shipping in 1937, 181  
German Inland Waterways and Harbour Developments during 1937, 178, 212  
German Inland Waterway Traffic, 155  
Glasgow and the Clyde, 281  
Goole, New Entrance Lock, 282  
Granton Harbour Centenary Celebrations, 24  
Greenheart, 112  
Greymouth Harbour Board, 258

- Handling and Ship-loading of Phosphates in Exposed Situations, 11  
Harbour Accommodation, 241, 266  
Harbour Association of New Zealand, 229  
Harbour Authorities and their Craft, 2  
Harbour of Chefoo, Shantung, North China, 150  
Harbours of the Hartlepool and Seaham, 137  
Hartlepool, 187, 189  
Hull Port Administration, 156  
Hull Port Development, 124  
Hydrographic Factors at the Port of Southampton, 365

### I

- Improvements in French Navigable Waterways during 1937, 154  
Improvement of Navigable Channel at East River, New York, 324  
Insect Depredations in Grain Stores, 250  
International Engineering Congress, 250  
Investigations into Structural Stability, 270

### K

- Karachi Port Trust, 41

### L

- Labour at Cardiff Docks, 123  
Land Reclamation from the Sea, 343  
Launch of the "Queen Elizabeth," 361  
Legal Notes, 21, 78, 115, 293  
Liverpool's Transhipment Trade, 2  
Lloyd's Register of Shipping, 34, 312  
Lloyd's Register Shipbuilding Returns, 188  
London Public Wharfingers, 2

### M

- Mackay Harbour Board, Australia, 92  
Madras Port Trust, 32, 364  
Major Ports of British India, 28  
Malmö, 155  
Manchester Ship Canal, 71  
Manchester Ship Canal Anniversary, 33  
Marine Depredations in Harbour Waters, 94  
Maritime Engineering Research, 188  
Maritime Timberwork, 307  
Marseilles Dockers, 344  
Maryport Harbour, 250  
Mercantile Shipbuilding Returns, 124  
Melbourne Harbour Trust Commissioners, 288  
Metallic Corrosion in Sea Water, 118

### N

- National Harbours Board of Canada, 239  
Navigable Waterways in the Netherlands, 40  
New Canals in the U.S.S.R., 230  
New Cargo Connection Box, 32  
Newcastle-upon-Tyne, 311  
New Free Port on Staten Island, New York, 60  
New Inland Waterway from Delaware River to Chesapeake Bay, 332  
New "Mauretania," 312  
Newport and the River Usk, 312  
New South Wales, 197  
New Wagon Cradle for Coaling Cranes, 197  
North Sea Storm Surges, 188  
Notes of the Month, 9, 46, 84, 106, 136, 169, 201, 233, 295, 335, 357  
Notable Danish Entrepôt Port, 219

### O

- Oil Pollution in Harbour Waters, 344  
Otago Harbour Board, 310

### P

- Petroleum Dépôts in the Thames, 155  
Petrol Traffic in the Thames, 344  
Peru proposed New Port, 194  
P.L.A. and the Wharfingers, 31  
Port Administration, 343  
Port Administration in the United States, 215  
Port Authorities and Air-Raid Precautions, 123  
Port Emergency Committees, 156  
Port Labour at Glasgow, 131  
Port Labour in Aberdeen and Glasgow, 110  
Port Labour Problems, 318  
Port of Ardrossan, 366  
Port of Barranquilla, 156  
Port of Barranquilla and its New Accommodation, 125  
Port of Bordeaux and the Gironde Estuary, 1, 15, 52, 85, 116, 141  
Port of Chittagong, 14  
Port of Dieppe, Bank Rivetment of Entrance Channel, 42

### Q

- Port of Gothenburg, 95  
Port of Lake Charles, 186  
Port of Liverpool Trade and Shipping, 59  
Port of London Authority, 8, 342  
Port of London Authority and Wharf and Warehouse Registration, 59  
Port of London Authority Police, 119  
Port of London Developments, 3, 35, 280  
Port of London Improvements, 1  
Port of London Registration Committee, 27, 310  
Port of Malmö, 157  
Port of Marseilles, 337, 360  
Port of New Westminster (B.C.), 76  
Port of New York Authority, 165  
Port of Shanghai, 65  
Port of Wisbech and the River Nene, 312  
Port of Yarmouth, 308  
Port Sanitation, 220  
Proposed Champlain-Hudson Ship Channel, 342  
Proposed Improvements at the Port of Baltimore, 326  
Proposed Montreal and New York Ship Canal, 143  
Proposed Tyneside Port Authority, 311  
Publications, 29, 91, 103, 122, 135, 140, 168, 246, 255, 341  
Publications, Foreign, 31, 246, 255, 261, 356  
Public Works Exhibition, 1937, 61

### Q

- Quarterly Shipbuilding Returns, 2  
Queen Alexandra Dock, Cardiff, 144

### R

- Rat Nuisance, 344  
Reconstruction and Improvement of La Guana Harbour Works, 336  
River Clyde and the Harbour of Glasgow, 283, 327  
River Conservancy Responsibilities, 64

### S

- Scottish Harbour Act, 124  
Scottish Ports, Labour Registration at, 94  
Sea Defences at Admiralty Pier, Dover, 330  
Sewage Discharge at Ports, 219  
Shipbuilding Returns, 94  
Shipping Development and Port Restrictions, 2  
Singapore Air Port, Slipway and Wharf, 58  
Singapore Harbour Board, 171  
Singapore Naval Base, 170  
Singapore New Graving Dock, 124  
Some Modern Developments on Tyneside and at the Port of Newcastle-upon-Tyne, 313, 354  
South African Railways and Harbour Board, 22  
Southampton Air Port, 311  
Southampton Docks Extension, 256, 290, 320, 362  
Southampton Harbour Dredging, 31  
South American Port Development, 123  
South Australian Harbour Board, 229  
South Jersey (U.S.A.) Port Commission, 31  
Spanish War-time Port for British Ships, 281  
St. Lawrence Ship Channel, 62, 156

### T

- Talling of Timber Cargoes, 124  
Tel Aviv, Palestine, New Port for Lighters, 47  
Thames Barrage, 64, 183, 188  
Thames Bridge Reconstruction, 91  
Tide Gauges in the Port of London, 101  
Transport in France, 10  
Transport Nationalisation, 282  
Trawler-Bunkering Installation at Fleetwood, 19  
Trinity House New Light Vessels, 269

### U

- Uniform System of Buoyage, 64, 80  
United States Marine Commission, 220

### W

- War-time Conditions at Ports, 63  
War-time Port Operation, 77  
Wellington Harbour Board, 307  
Watchet Harbour, Somerset, 369

### Y

- Yangtse Estuary, 275

### Z

- Zuyder Zee Reclamation, 343, 345

# Index to Volume XVIII

November 1937 to October, 1938
